

Session Program

20 December 2015

5th IPM Accelerator physics group meeting

**Beam dynamics design of the solenoid
channel of the IPM Linac**

Larak Garden, Seminar room-School of particles and accelerators

Sunday 20 December

13:15

14:15

Beam dynamics design of the solenoid channel of the IPM Linac

Session | **Location:** Larak Garden, Seminar room-School of particles and accelerators | **Convener:**
Shahin Sanaye Hajari
