

Session Program

25-26 Apr 2016

Workshop on: Probing the Electronic Structure of Solids by Angle-resolved photoemission spectroscopy (ARPES)

Registration

K.N.Toosi University of Technology, Faculty of Materials Science Technology
No. 7 - Pardis st. - Mollasadra st. - Vanak sq. - Tehran - Iran

Monday 25 April

08:30

08:50

Registration

Session |

Location: K.N.Toosi University of Technology, Faculty of Materials Science Technology, No. 7 - Pardis st. - Mollasadra st. - Vanak sq. - Tehran - Iran
